ACTION REQUIRED - REFERENCES					
BDC CHECK PLEASE					
REFERENCE: EGMA 75639, 18 July 1963					
<p>1. CATIDE has requested that we retrace Subject with the Berlin Document Center. He was originally traced on their behalf in June 1963 and a positive reply was received with Reference. CATIDE now notes that at least one page (and perhaps more) of one of the memoranda from KRALLERT's BDC file was missing; they would like the retrace to be sure that the page was not just left out through an oversight. The reply contained 14 individual photocopies with a cover sheet bearing Serial Number 1190915 and dated 24 June 1963. BDC forms are attached. Please forward one photocopy each to MLB and EE of the available material.</p> <p>2. EE: In April 1964 GLENNING requested a BDC check on Subject and was informed that we had already sent a positive reply to CATIDE's Operational Security Section the previous year. The request for a retrace was made orally by PETERS who showed the undersigned the original BDC reply. PETERS stated that KRALLERT was a former CATIDE "Mitarbeiter" whom they had let go. He said that they had had considerable trouble with the discharge.</p>
